

*First Winter 2012...*

**Blackpowder Muzzleloader Shoot at the Niantic Sportsmen's Club, East Lyme, Connecticut**

## **WINTER TRAIL WALK**

**NSC's amusing and devilish targets have been revised again for the Winter 2012 muzzleloading series, with some easy (and some tough) scenarios plucked from the club's varied history of traditional blackpowder competitions. Our Trail Walk Committee has a brand-new winter trail for you...follow signs to Outdoor (lower) Range.**

**Sunday Morning,  
January 15, 2012**

**Registration from 9 to 10 a.m. at the  
Outdoor Range Area—Rain or Shine!**

**As usual, all types of traditional or modern muzzleloaders/sights are allowed; there will be approximately 12 targets of different sizes and at varying distances, with shootoffs as needed. Lunch follows the event.**
