

SKEET SHOOTERS: COME ON!

Let's get moving and volunteer! Do your part to keep our machines and facilities in good shape and working properly! To help us get a regular skeet maintenance program going, and to learn our machines' operation — call Bill Boehning at 434-2336.

Schedule Reminder: For the month of December, the skeet field is in use on Sunday mornings by our winter league teams from 9 a.m. to 11 a.m. After 11 a.m. there is open shooting for all members the rest of the day; from Monday through Saturday there's open shooting after 9 a.m. If you are currently unfamiliar with the operation of the skeet machines and the skeet field, come down with a person who knows the proper procedure to get started.
